

INFORMATION SHEET FOR
ANNIVERSARY TATTOO EVENT
SUNDAY 20TH MAY & 27 MAY 2018

Thank you for participating in this years anniversary tattoo event to raise funds for MTT

Below is some information that should help you in organising your event

- Creating a new email – such as – MCRBEEyourstudio@gmail.com – to avoid blocking up your standard work inbox
- You can run your event on either a booking basis or walk ins. Last year we booked 20/30 customers per artist in time slots which we found kept the chaos levels somewhat under control!
- The price for the bee tattoos is £50, we ask that you please do not charge lower than this as it undercuts other studios efforts.
- The price to add a date or colour to existing bee tattoo is £22
- We have included a PSD design sheet of some optional anniversary bee designs but of course feel free to design your own and get creative!!
- Please click the 'SIGN UP' button and send us the following information –

- We have a new just giving page - <https://www.justgiving.com/crowdfunding/manchestertattootrust>

Which is used by clicking the 'DONATE' button on this webpage. We ask that you encourage customers to use this payment method as it is easier than collecting cash to add to our total raised. But we do understand that there will be some people wanting to pay cash and this is of course fine. If you do have a cash sum at the end of your event please email – admin@manchestertattootrust.com with your studio details and total raised.

- Killerink have kindly offered to sponsor the event by giving us 20% discount on all black, yellow and white ink (plus any other colours possibly required) and all consumables and needles!!
- Please use discount code – MTT22 at checkout or mention when placing an order on the phone. Please have your orders in by midnight 27 May 2018
- We have made downloadable PSD Posters for social media and shop windows, please edit to include your studio name/date of event and details.
